RETURN RECEIPT REQUESTED

Mr. Bill Colvin  
Envirosphere Company  
160 Chubb Avenue  
Lyndhurst, NJ 07071

Dear Mr. Colvin:

As per our recent telephone conversation, enclosed please find copies of the CERCLA §106 Administrative Order for both Vineland Chemical Company, Inc. (ViChem) and The Asbestos Dump Site. In addition, I have also enclosed a copy of ViChem, Health and Safety Plan and pages 10 & 14 of their work plan.

We also discussed in our telephone conversation, that you should cease further work on the ViChem project momentarily. Work may resume after I have forwarded a revised work plan to you, upon my receiving it from ViChem. The revised work plan will contain a detailed project schedule, which will aid in your completing the tasks agreed upon.

As discussed, I understand that this will cause a delay in your delivering the ViChem tasks. However, I am still looking forward to receiving the work that you are doing on the Asbestos Dump Site on April 18, 1986.

If you should have any further questions, please feel free to call me at (212) 264-8674.

Sincerely yours,

Nigel Robinson, Project Officer
